

**Chapter 18**  
**Electrical**

**18.02 Inspector**

(Ren. #39-96)

(1) APPOINTMENT. (Am. #55-02) The Electrical Inspector shall be appointed by the Director of Community Development.

(2) DUTIES. (Am. #55-02) The Electrical Inspector, under the direction of the Chief Building Inspector, shall enforce the provisions of the Electrical Code.

(3) RECORDS. Complete records of all permits issued, inspections made and other official work performed shall be kept and arranged to afford prompt information concerning electrical installations.

(4) RIGHT OF ENTRY. The Electrical Inspector or his assistants may, during reasonable hours, enter any public or private building, premises or subway in the discharge of their official duties or for the purpose of making any inspection or test of the electrical wires or appliances contained therein. They shall be given prompt access to any premises upon notification to the proper authority.

(5) RIGHT OF TURN-OFF. The Electrical Inspector may cause the turning off of all electrical currents to any equipment which is found to be in an unsafe condition, and cut or discontinue electrical service in cases of emergency and where such electrical currents are dangerous to life or property where they interfere with the work of the Fire Department. No person shall reconnect any equipment thus cut off until written permission is given by the Electrical Inspector.

(6) INSPECTIONS. The Electrical Inspector periodically shall make thorough examinations of all electrical wires and appliances installed within the City. When such wires or appliances are found to be in a dangerous or unsafe condition, he shall notify the person owning, using, operating or installing the same to place them in a safe condition.

(7) REPAIRS REQUIRED. (Rep. #39-96)
